

knikerboker
the art of hand made

PRICE LIST 2025

General Commercial Conditions

All **Knikerboker's** lamps are made with high quality material and they are submit to a careful inspection and final test. The inspection during every step of production warrantee the quality. The product is marked and submit to the European prescriptive and belongs to IP 20 in I Class. Knikerboker warrantees his lamps, through the CE prescriptive from the date of purchase. The guarantee gives the due of substitution, free repair of all the parts defective from the manufacture. The guarantee does not apply to light, bulbs, transformers and power supplies, shipping damage, damage resulting from alternations, unauthorized repairs of service, misuse or improper maintenance. This guarantee shall not be extended, subsequent to repair beyond the warranty period. No responsibility is assumed for any accidental damages to people and/or things arising out of the use or inability to use this product.

Warnings: In its constant search for improvement, Knikerboker reserves the right to carry changes to the products or part of them without notice and in every moment.

Knikerboker realized for its production a special 1,5W 12V G4 two pin-**LED** that can be used, with the correct supply, in every lamp in wire and in particular in every special lamp "on project" that need a substantial quantity of bulbs in order to recreate the desired stage effect, without consuming high electricity.

Orders:

The order is dispatched after an order confirmaton signed as acceptance by the client, however the goods remain owned by Knikerboker until the payment, but the risks are taken by the buyer from the delivery.
In the order confirmation are reported the prices recommended to the public and they are inlaid in this list.

Delivery:

The delivery times indicated in the order confirmation are approximate and not binding, a possible delay can't lead to the ongoing order's cancellation.

Transport:

Knikerboker reserves the right to choose the more appropriate vehicle according with the delivery, except requests from the client. The goods travel at risk of the client, who, upon receipt, must check the goods status and the packages number, informing the courier, directly during the delivery, about possible damage with specific annotation on the courier's transport document.

Packaging:

The packaging of the lamps, made of cardboard boxes or wooden case, are included in the price.
On client's request multiple packing can be realized.

Complaints and Returns:

Complaints are accepted within 8 days from the receipt date. Expired this time complaints or returns are not accepted.
Communications about "lack or defect" must be received through e-mail, fax or registered letter.
However, returns are accepted only after the company's authorization and only in the original packing with warranty certificate.

Special finishings "On Request" :

"Confusione Collection" can be realized in brass or copper wire based on weight and size.
It can also be painted in brass, copper, embossed black and embossed white.
These "Special finishings" lead to an increase from the list price.

Dimming:

All dimmable items must be used with dimmers compatible with the technical features specified on the labels of the power supplies/transformers.
In case of malfunction, Knikerboker reserves the right to recall the item at the factory for revision.

PURCHASING METHOD

At time of order, please indicate the name of the lamp as written in the first column of the following pages, followed by the desired type of electric supply and finishing.
For example: NON SO! p/pl 40 TO/B
In case of double finishing in the price list, the first color coincides with outside, the second one with inside.
For example: gold leaf (outside) white (inside).

Purchasing Method

THE PURCHASING METHOD MUST RESPECT THE FOLLOWING FEATURES:

DoppioZero

- The first letter coincides with the base finishing
- The second one coincides with the disc finishing

For example: Base coffee
disc copper CA/TR

embossed white.....B	silver leaf.....TA
embossed black.....N	gold leaf.....TO
metallic anthracite...MA	copper.....TR
coffee.....CA	bronze leaf.....TB
purple red.....PR	
embossed brown.....BR	
sahara.....S	
champagne.....CH	
antique pink.....R

Purchasing Method

THE PURCHASING METHOD MUST RESPECT THE FOLLOWING FEATURES:

Papera

- The first letter coincides with the base finishing
- The second one coincides with the first disc finishing
- The third one coincides with the second disc finishing

For example: Base embossed white
first disc silver
second disc gold B/TA/TO

embossed white.....B
embossed black.....N
metallic anthracite...MA
coffee.....CA
purple red.....PR
embossed brown.....BR
sahara.....S
champagne.....CH
antique pink.....R

silver leaf.....TA
gold leaf.....TO
copper.....TR
bronze leaf.....TB

Purchasing Method

The purchasing method must respect the following features:

- The first number coincides with the color of the base
- The other numbers coincide with the colors of the plates

50A1

For example : B(base) - TO(1)

50A2

For example : B(base) - TO(1) - TR(2)

100A3

For example : B(base) - TO(1) - TR(2) - TA(3)
